Mining - Prospecting Licence - Red oxide, mangenese and red ochre - (Bellary) - Sandur - Murarpur village - Murarpura Kandivi - Extent 1100 acres - Application of Sri K. Naravanaiah, of Bellary - Submitt-ed.

-:-:-:

2, The Special Officer, Sandur, recommends that the Prospecting licence applied for by the applicant may be granted as it is bonafide. The Forest Range Officer Sandur, reports that the area in question does not contain any considerable valuable growth and the growth is mainly of scrub type. The Dt. Forest Officer, Bellary, also has no objection to the grant of the P.L.

3. In the circumstances, I recommend that the prospecting licence to prospect for and mine the three minerals mentioned above may be granted to the applicant for a period of one year subject to the general conditions laid down in Rule 23(1) and the following special consitions as enumerated in rule 23(2) of the Mineral Concession rules, 1949.

(i) The licensee shall pay half yearly dead rent and royalty due to Government in any of the Sub Treasuries in the District.

(ii) The licensee shall pay amount equal to the annual dead rent or royalty as compensation for damage to land covered by the licence;

(iii) The licensee shall execute an indemnity bond agreeing to pay claims of a third party for any damage, injury or disturbance caused to him by the licensee;

(iv) The licensee shall not fell any trees on unoccupied reserved or unreserved Govt. land without the previous permission of the Collector and if he so fells any trees without the necessary permission he shall pay the value of trees together with a compounding fee as fixed by the Collector or the Dt. Forest Officer subject to a maximum of ten time the value of trees.

(v) The licensee shall not carry on his prospecting operations in an area prohibited by any competent authority such as lying out of roads, erect buildings, machinery etc. without the permission of such competent authority.

(vi) the licensee shall not carry out any operations to the detriment of the Reserve Forest and if he does so, he shall pay necessary compensation as fixed by the officers of the Forest Dept.

(vii) the licensee shall enter the area granted to him without detriment to the interest of the remaining portion of the Reserve Forest,

(viii) the licensee shall deliver the possession of lands and mines on the expiry of the licence and the Government shall have the right to forfeit the property left after such termination of determination of the licence; and

(ix) The Government shall have absolute right to take possession of the plant, machinery and premises in the event of war or other emergencies.

4. I submit that a prospecting fee of Rs. 0-4-0 per acre of the land covered by the licence may be fixed for each year or a portion of a year of the period of which the licence is granted.

5. The application, chalan for Rs. 60/- a copy of Dt. Forest Officer's report with its enclosure and a sketch showing the area applied for, are enclosed.

The correct extent of the plot supplied for by Sri K. Narayana for the grant of the prospecting licence is only 1100 acres, and not 1200 acres as reported in this Office reference mentioned above. The areas of the north-east and south-west blocks are about 900 and 200 acres respectively, thus making the total extent to 1100 acres.

The sketch received from the Board is resubmitted herewith after making necessary correction in it.

The two plots measuring 900 and 200 acres originally applied for by Sri K. Narayaniah, Bellary, for the grant of a prospecting licence, are independent plots and are not contiguous. The applicant has since submitted two separate applications for the revised extents comprising 700 and 400 acres respectively thus limiting himself to the original extent of 1100 acres. The Special Officer, Sandur reports that both the plots with the revised extents are at the disposal of the Government and are situated in the State Forest with very poor tree growth.

The two applications, the chalan for Rs. 50/- and two sketches received from the applicant are enclosed.

G.O. MS. NO. 957 DATED 7-3-57

In exercise of the powers conferred by rule 17 of the Mineral Concession Rules 1949 the Government sanction the grant (to Sri K. Narayaniah) of a prospecting licence for Red Oxide of Iron Manganese & Red Ochre for a period of One years over an extent of 700 acres in ~~S.No.~~ Murarpura Kandini of Murarpur village, Sandur Taluk, Bellary District subject to the conditions mentioned in sub-rule (1) of rule 23 of the Mineral Concessions Rules 1949 and also the following conditions:

(1) the licensee should keep the stocks of Beryl or any other "prescribed substance" as defined in section 3 of the Atomic Energy Act 1948 (Central Act No.XXIX of 1948) if they occur in the property covered by the lease with a view to making them available to the Government of India.

(2) the licensee shall pay the royalties due to the Government into any Government treasury half-yearly on the first June and first December every year; he shall also pay the prospecting fee prescribed before the licence is issued to him;

p.t.o.

24

(3) the licensee shall pay reasonable compensation for all damages and injury which may be caused by him in the exercise of any of the powers conferred by the licence.

(4) the licensee shall indemnify the Government of Madras against all claims and suits which may be made or brought by any person in respect of any damage injury or disturbance caused by the licensee.

(5) the licensee shall not cut or injure any timber or tree without the written permission of the Collector or of any officer appointed by him in this behalf.

(6) the licensee shall not work or carry on operations in or under the lands covered by the licence at or to any point within a distance of 50 yards from any railway reservoir, canal or other public work or any building or inhabited site except with the previous permission in writing of the Governor or some officer authorised by him in that behalf or otherwise than in accordance with such instructions and conditions either general or special which may be attached to such permission. The said distance of 50 yards shall be measured in the case of a railway reservoir or canal horizontally from the outer toe of the bank or the outer edge of the cutting as the case may be and in the case of a building horizontally from the plinth thereof.

For the purpose of this clause the expression 'Railway' shall have the same

p.t.o.

same meaning as in the Indian Railway Act, 1890.

(7) (a) the licensee shall not enter upon or commence prospecting in any reserve forest situate upon the said lands without thirty days previous notice in writing to the District Forest Officer nor without obtaining the written sanction of that officer nor otherwise than in accordance with such condition as that officer may in his absolute discretion prescribe;

(b) the area without the reserved forest limits must be demarcated by a declared fire line of 40 feet wide ~~xxxx~~ which will be cut and kept cleared by the Forest Department at the expens of the licensee;

(c) the licensee must at all times permit the Forest Department to enter upon the land for the purpose of maintaining or repairing existing boundary lines within the area and must pay the cost of such maintenance or repair as determined by the District Forest Officer.

(d) the licensee must take suitable precautions to prevent fires from spreading into the adjoining reserve forest from the land and if such fires accidentally occur he must render all possible assistance in putting them out;

(e) the licensee shall not cut any trees or growth on the area granted in excess of 20 per cent of the number of trees on the whole area under the licence without the previous permission of the D^t. Forest Officer and the value of such trees etc. shall be paid for by the licensee at rates to be fixed by the District Forest Officer; he must not deface or interfere with any boundary stone or

marks ....

26

marks; if any boundary mark is accidentally damaged, he must bring the matter immediately to the notice of the Range Officer.

(8) if any buildings, plants, engines, machinery, implements or other property are not removed by the licensee within one month and are left over after determination of the licence, they shall be deemed to become the property of the Government and may be sold or disposed of in such manner as the Government shall deem fit without liability to pay any compensation in respect of them.

(9) in the event of the existence of a state of war or grave national emergency of which the Government will be the sold judge the Government after due notice in writing of their intention to do so, may forthwith take possession or assume control of the works, plant and machinery on the mining operations after payment of a fair compensation.

2. The rate of prospecting fee ~~and royalty~~ will be ~~as follows~~:

~~Prospecting fee~~ - Rupee one per acre of the land covered by the licence for each year or portion of a year.

~~Royalty~~

3. The applicant should deposit as security a sum of Rs.100/- as prescribed in ~~rule~~ rule 19 of the Mineral Concession Rules 1949, before the licence is actually executed.

p57(B)

4. The terms and conditions stated in the above paragraphs are subject to such further modifications, additions and alterations as may be incorporated in the licence deed (which is being drafted separately) to be executed.

Condition (iv) on p 8 of refers to felling of trees, standing on unoccupied reserved and unreserved lands. The area applied for is situated in a forest belonging to former Sanour State. Condition 7(e) on p 3 of the draft order will cover this case. As however it has not been definitely reported whether the land in question is reserved or not, Condition (5) in the draft order which prohibits the cutting of trees without the permission of the Collector, is proposed to be retained. The conditions included in the draft order have been decided in consultation with legal and provision regarding penalty for a breach has not been incorporated in the different conditions, as clauses (xiv) and (xvi) under rule 41(1) of the M.C. Rules provide either for determination of the lease for a breach of certain of the conditions ~~and~~ of the lease or for the levy of a penalty not exceeding an amount equivalent to twice the amount of annual dead rent for a breach of any of the other conditions of the lease.

In continuation of my above reference I am submitting the following report.

2. Yesterday that is on 29-7-50, I went along with Sri. A. Venkatasiva who is the representative of the petitioner and has been authorised to act on his behalf, to the area applied for prospecting licence and inspected it.

3. I beg to report that the area does not contain any considerable valuable growth. It is mainly fo scrub type and that too is very sparce exception few pockets of , say about 1 square chain, here and there where it is bit thick. So I dont think that there can be any technical objection to granting the prospecting licence in the are a applied for.
